ZNF623 Antibody (C-term) western blot analysis in K562 cell line lysates (35ug/lane).This demonstrates the ZNF623 antibody detected the ZNF623 protein (arrow).

ZNF623 Antibody (C-term) flow cytometric analysis of K562 cells (right histogram) compared to a negative control cell (left histogram).FITC-conjugated goat- anti-rabbit secondary antibodies were used for the analysis.
